

Hit The Road 2019 – Heads North

Short walk joining instructions

Aim to arrive at about 12.30pm to be ready to leave at about 12.45pm.

The start of the short walk is Finsbury Park. The nearest station is Manor House on the Piccadilly line. Enter the park at the entrance nearest to the station. There are no public toilets that close to the start, although there are some in the park.

If you are meeting walkers who are doing the long walk, you may need to liaise with them to find out when they are likely to be arriving at the halfway point. It is likely that the first walkers will be arriving from about 12.15. Please be aware that the first part of the short walk is different from the continuation of the full walk. Having met up with friends at the halfway point, you will be able to meet up again at a point shown on the Route Instructions. It should take about 5 mins to get there following the short course and 20 mins following the full walk.
