

16-19 Tuition Funding at The Champion School

The Department for Education announced funding to support students whose learning was disrupted as a result of the COVID pandemic. This 16-19 Tuition Fund is available to all 16 to 19 and is ring-fenced for 16 to 19 small group tuition only.

The funding is to support small group tuition for students aged 16 to 19 in English, maths and other subjects that have been disrupted, including vocational and/or academic learning.

All students must be on a 16 to 19 study programme and the funding should be used to support the tuition activity above and beyond the programmes of education already planned. It is for students who:

- have not achieved a grade 4 or 5 in English and/or maths
- have a grade 4 or above in English and/or maths, are from an economically disadvantaged background and would need catch-up support. These are defined as students from the 27% most economically deprived areas of the country based on the index of multiple deprivation

The additional funding made available to The Champion School will be used to provide small group tuition and support to students who are eligible.

Sessions will be limited to three to five students per group but individual tuition may also be organised. Students will be prioritised for small group tuition based on the guidance released by the Education and Skills Funding Agency (ESFA).
