Payments

We prefer payments via bank transfer however if this isn't an option we can process this over the phone.

If a bank transfer is made could you please fill the reference box with your child's/children's full name thank you, you may also send a message to the office contact number to say you have made a payment, this will help us to process the tickets as soon as possible. We require tickets to be brought at least two days prior to running out and this will be your child/children's responsibility and this way it prevents refusal of travel.
